HISTORY OF THE STATE ELECTION COMMISSION

The State Election Commission became a separate state agency on the day of January 1, 1969. It had formerly functioned as a division of the office of Secretary of State. It was the feeling of the General Assembly that voter registration and the administration of elections were matters that should be removed from possible influence of partisan, elected officials and placed under the custody of a non-elected bipartisan board or commission. By the law which created the Election Commission, it was required that the Commission be composed of at least one member of the majority political party represented in the General Assembly and at least one member of the largest minority political party represented in the General Assembly.

The State Election Commission operates under authority granted by 1968 Act No. 955, which is codified as Title 7, Section 3-10 et. seq., of the 1976 South Carolina Code of Laws, as amended.

ORGANIZATION OF THE STATE ELECTION COMMISSION

I. ADMINISTRATION

The functions of the Election Commission are administered by a five-member commission, which meets monthly in Columbia, and by an executive director who is the chief administrative officer of the agency. Policy, procedures and rules governing the various functions of the Commission are set by the election commissioners and carried out by the executive director. The executive director employs and maintains a competent working staff to assist him in carrying out his duties. During statewide general election years, it is necessary to employ additional personnel in order to carry out the increased responsibilities of the Election Commission at that time.

The Election Commission also considers and recommends changes in the Registration and Election laws to the General Assembly.

II. CENTRAL VOTER REGISTRATION SYSTEM

The Election Commission is the coordinating center of South Carolina's computerized system of voter registration. All forty-six (46) counties report new registrations and registration changes to the Central Office, where a computer file is built and from which are printed new lists of registered voters for every election that is held in the State: statewide, countywide, municipal or other. South Carolina was the first state in the country to use this CVRS. Since 1967, this highly successful system has been maintained by the State Election Commission. On a daily basis, this system adds new voters and removes voters who have died, moved, been convicted of certain crimes or otherwise become ineligible as electors.

In this regard, reports must be obtained from other federal, state and local agencies and compared with the computer files. Detailed records and statistics are maintained on the number of registered voters in each county and precinct of South Carolina. Biannually, voters who have failed to vote in at least one election in a two year period are removed from the list of active voters and placed in an inactive file.

Twenty-three (23) counties now have "on-line" direct access to the Central Registration files to allow for input of new voters and also to allow status checks for voters who could have registered in another county. Since 1985, these counties have found the direct link useful and time saving in the printing and distributing of voter registration notification material.

All forms and materials used for voter registration by the Central Office and the County Boards of Registration are printed and paid for by the Election Commission. The Central Office also provides, as a public service, the sale of precinct lists of registered voters at a reasonable cost to any registered elector.

III. AID TO COUNTIES

The Election Commission is charged by law with the responsibility of disbursing, to all counties, a state supplemental appropriation to aid in keeping the Board of Registration office open during normal courthouse hours. The amount received by the counties is based upon their respective populations.

IV. ELECTIONS

A. Office of Elections

The State Election Commission is the chief election officer for the conduct of general and special elections.

This office prints and distributes for statewide general election and countywide special elections all ballots, forms and other materials necessary to conduct such elections for Presidential Electors, State Officers, United States Senators, Members of Congress and Constitutional Amendments.

B. State Board of Canvassers

After the conclusion of state and county general elections, the five commissioners of the Election Commission act as the State Board of Canvassers. The Board certifies the results of elections and hears appeals and protests arising in such elections.

C. Educational Services

The State Election Commission conducts a comprehensive training program for election workers throughout South Carolina on a continuing basis and provides needed information to members of the public concerning election procedures in their state. A variety of election statistics regarding South Carolina's elections are also compiled and available upon request.

Educational Services conducted a statewide training program for poll managers working in the General Election. This program was aired to the Managers at selected sites throughout the State via the Educational Television Network's closed circuit lines. Special telephone lines and talkback facilities provided by ETV were utilized to answer any manager's questions on the air. Almost all of the managers working in the General Election took part in this training program.

Aiken, Anderson, Beaufort, Charleston, Cherokee, Greenville, Horry, Richland, Spartanburg, and Sumter counties continue to implement their in-county poll manager training programs. It is hoped that other counties will begin year round training in the near future.

D. Electronic Voting System

The State Election Commission maintains the software and programs the voting machines used by sixteen (16) counties in the state to conduct elections at all levels of government. We provide proper security and protection to assure the machines used and the programs that produce the election results are free from tampering and fraud. All ballots for the machines are produced in the Commission's office and approved by the Director or Assistant Director.

PARTY DECERTIFIED

At their April 18th meeting, the State Election Commission voted unanimously to decertify the South Carolina Independent Party as a certified political party in our state. This action was taken because the SC Independent Party had not certified a candidate for an election on any level since the General Election of 1980.

The decertification was pursuant to the requirements of Section 7-9-10 of the 1976 SC Code of Laws, as amended. This was the first time the State Election Commission had ever decertified a state party.

Donald Cole, chairman of the SC Independent Party was notified and did not respond.

Present: Mr. William B. DePass, Jr., Chairman; Mr. Roger Leaks, Jr., Vice-Chairman; Dr. Neal D. Thigpen, Mrs. Mamie W. Nicholson; Mr. Philip Bradley; and Mr. James B. Ellisor, Executive Director.

On November 21, 1990, the Board of State Canvassers met in room 105 of the offices of the State Election Commission. A meeting had been scheduled for the appeal of Mrs. Bertha Williams vs. Glover Hickson for the office of Aiken County Board of Education, District #7, in Aiken County. Mrs. Williams had called Mr. James F. Hendrix, Deputy Director of the State Election Commission, earlier in the week inquiring as to when the above captioned case would be heard. Mr. Hendrix informed Mrs. Williams that he was almost positive the case would be heard on November 21, 1990, but he was not yet sure of the exact time. He told her that he would get back in touch with her in a day or so. When he attempted to call Mrs. Williams back when a definite time had been decided on, he nor the sheriff of Aiken County could get in touch with Mrs. Williams. Therefore, this case had to be postponed to a later date.

The State Board of Canvassers took this time to certify the returns for the following counties that were not in the office on November 15, 1990. These returns were for all offices other than the House of Representatives which would be certified at a later date, due to reorganization of the House.

The State Board of Canvassers also certified the results for the following counties in a special election held on November 6, 1990, in Senate District 45:

Allendale	Beaufort
Charleston	Colleton

The meeting was recessed at this time for lunch. There was another hearing scheduled for 2:00 p.m.

November 21, 1990, 2:00 p.m.

The Board of State Canvassers reconvened for the appeal of A. J. Calder vs. Ralph C. Freeman, Sheriff of Chesterfield County, Decision of the Chesterfield County Election Commission.

All Board Members were present for this appeal along with Mr. James B. Ellisor, Executive Director of the State Election Commission. Mr. DePass introduced the members of the Board and legal counsel for the Appellant and Respondent. Details of the hearing were transcribed by a court reporter.

Testimony was given by various witnesses and the Chesterfield County Election Commission, and attorneys for both the Appellant and Respondent presented their arguments. Before the State Board of Canvassers recessed, Mr. William B. DePass, Chairman, informed the Appellant and the Respondent that their attorneys would be notified of the decision as soon as the Canvassers had reached one.

The Board of Canvassers recessed at this time to consider the record and oral arguments presented. The Board was unanimous that there was sufficient evidence in the Transcript of Record of the hearing held on the protest before the Chesterfield County Board of Canvassers that crossover votes in the election were not counted properly.

Therefore, the Board ordered that all ballots in all precincts in Chesterfield County be recounted by the Chesterfield County Election Commission and a report be made to the Board of State Canvassers not later than November 29, 1990.

The meeting was adjourned at 4:00 p.m.

The State Board of Canvassers recessed at this time to consider the testimony and the closing arguments. Mr. DePass informed all those present that the lawyers would be notified and a written order from this Board would be forthcoming.

After some discussion, Dr. Thigpen moved that the election be sustained and Mr. Washington be certified as the winner in the election. The motion carried unanimously.

The Board of State Canvassers adjourned for lunch at this time.

November 26, 1990, 2:00 p.m.

The Board of State Canvassers reconvened for the appeal of George Taylor vs. Roger L. Hill in Calhoun County.

Mr. Philip Bradley arrived during lunch. Therefore, all Board members were present for this appeal. Also present were Mr. James B. Ellisor and Ms. Treva Ashworth. Mr. DePass introduced the Board members and asked legal counsel for the Appellant and the Respondent to identify themselves. Details of the hearing were transcribed by a court reporter.

Testimony was given by various witnesses and closing arguments were presented by lawyers for both the Appellant and Respondent.

The Board recessed at this time in order to consider the record and the arguments presented.

After some discussion, the State Board of Canvassers decided to have the Calhoun County Board of Registration investigate exactly where all voters who cast ballots in the Fall Branch, Bethel and Murph Mill precincts in the General Election held on November 6, 1990, actually reside and in what County Council district they should have voted. The State Board of Canvassers will reconvene on Tuesday, December 11, 1990, at 10:00 a.m., and at that time, they will call as witnesses members of the Calhoun County Board of Voter Registration to offer testimony concerning their findings. A further determination in this matter will be made at that time.

Mr. DePass informed everyone that a motion would be prepared and mailed to all those involved.

The meeting adjourned at 6:15 p.m.

On November 29, 1990, at 10:00 a.m., the State Board of Canvassers met in the offices of the State Election Commission in room 539 to hear the results of the recount for all precincts in Chesterfield County. Based on the recount the findings of the Chesterfield County Election Commission were that Mr. Freeman was still the winner with a difference of 634 votes. Therefore, the Board must uphold the election and deny the appeal.

The Board recessed for 15 minutes.

November 29, 1990, 11:00 a.m.

The Board of State Canvassers reconvened for the appeal of Elise Cahaly vs. Ed Allgood in Anderson County Council District #4.

All Board members were present for this appeal along with Mr. James B. Ellisor, Executive Director of the State Election Commission, and Ms. Treva Ashworth, Sen. Asst. Attorney General. Mr. DePass introduced the members of the Board and legal counsel for the Appellant and Respondent. Details of the hearing were transcribed by a court reporter.

Mr. Bradley left the meeting at around 12:30 p.m.

Attorneys for the Appellant and the Respondent presented their arguments. At this time, the Board of State Canvassers recessed for lunch and to consider this appeal. Mr. DePass told everyone that a decision would probably not be made before the Board of State Canvassers has to go in to hear the next scheduled hearing. However, he told them that the lawyers would be informed of the decision and they were welcome to wait, but the decision would probably not be announced until later in the day.

November 29, 1990, 2:00 p.m.

The State Board of Canvassers reconvened for the appeal of Bertha Williams vs. Glover Hickson in Aiken County Board of Education, District #7.

All Board members, except for Mr. Philip T. Bradley, were present for this hearing. Also present were Mr. James B. Ellisor, Executive Director of the State Election Commission, and Ms. Treva Ashworth, Sen. Asst. Attorney General.

Ms. Williams nor Mr. Hickson had legal counsel representing them at this hearing. Mr. Hickson's daughter appeared on his behalf. Mr. Eugene England was also present. Mr. England is chairman of the Aiken County Election Commission. Ms. Williams contended that she was not protesting the election as to who actually won or lost. She stated that she was protesting the conduct of the election. Ms. Williams and Mr. England presented their case and the State Board of Canvassers recessed at this time.

Based upon the findings of facts and conclusions of law, the State Board of Canvassers upheld the decision of the Aiken County Board of Canvassers.

The Board also took this time to consider the Anderson County case which was heard this morning. The Board actually counted the number of persons who signed the poll list in the Edgewood precinct. The findings of the Board were that at least 15 or 16 persons voted in the wrong Council District. As the Respondent only won this election by 11 votes, the error in this precinct alone is enough to affect the outcome of the election. Therefore, the State Board of Canvassers reversed the decision of the County Board and ordered a new election. The decision was unanimous among those members present.

At this time, the Board certified the returns for all House Districts in all counties. This could not be done earlier due to reorganization of the House. The decision was announced by Dr. Thigpen to those persons from Anderson County who were still waiting on a decision. Also, they were informed that a written order would be forthcoming.

The meeting was adjourned at 6:30 p.m.

On December 7, 1990, at 10:00 a.m., the Board of State Canvassers met in the Blatt Building, Room 101 to hear the appeal of Chris Merrill vs. Bernard Fielding for office of Charleston County Probate Judge in the November 6, 1990, General Election.

All Board members, with the exception of Mr. Roger Leaks, Jr., Vice-Chairman, were present for this appeal. Mr. DePass explained to everyone at the hearing that Mr. Leaks is a Lieutenant Colonel in the Army Reserves and has been called to active duty in the Persian Gulf. Also present were Mr. James B. Ellisor, Executive Director, and Ms. Treva Ashworth, Sen. Asst. Attorney General. Mr. DePass introduced the members of the Board and legal counsel for the Appellant and the Respondent. Details of the hearing were transcribed by a court reporter.

Oral arguments by counsel for the Appellant, Respondent, and the County Board were heard.

Mr. DePass reminded all those involved that a written Order would be forthcoming from this Board, and the attorneys would be contacted by phone also. The State Board of Canvassers recessed at this time in order for the Canvassers to consider the arguments heard. Mr. DePass stated that he does not think the record is enough for him to base a decision on. The Board of Canvassers decided to ask Mr. Ellisor for he and the staff to compare the printout provided by Mr. Mosser showing the public count, the poll list where people signed in as they voted, and the actual votes cast. The Board was scheduled to meet on December 11, 1990, to hear another case. Therefore, they decided to wait until December 11 to make a decision as to what further action would be taken in this case.

The meeting was adjourned at this time.

On December 11, 1990, at 10:00 a.m., the Board of State Canvassers met at the offices of the State Election Commission to hear the results of the investigation which was to be made as to where people actually resided in the Fall Branch, Bethel and Murph Mill precincts in Calhoun County.

The results were that at least 42 voters were registered in the wrong County Council Districts which could result in a difference in the outcome of the election. Mr. DePass explained that a decision would not be reached until later in the day as they had another hearing scheduled for 10:30 a.m. He told everyone that they would be informed of the decision in writing and a written Order from this Board would be forthcoming.

10:30 a.m.

This hearing was called for the Canvassers to hear the appeal of Judy Bradley vs. Danny Bruce in House District #38 General Election held on November 6, 1990.

Mr. DePass welcomed everyone. Attorneys for both the Appellant and the Respondent presented their opening statements. Testimony was given by various witnesses and the attorneys made their closing statements. Details of the hearing were taken by a court reporter.

The hearing was recessed at this time so that the State Board of Canvassers could eat lunch and another hearing was scheduled for the afternoon. Mr. DePass informed everyone that they would be notified by mail of the decision and the attorneys would also be notified by phone.

2:30 p.m.

The hearing reconvened for the appeal of G. Ralph Davenport vs. Kathleen Kempe in House District 37 General Election held on November 6, 1990.

Opening statements were presented by both attorneys. Testimony was taken from several witnesses. Closing arguments were presented by both attorneys. Details of the hearing were taken by a court reporter.

The hearing was recessed at this time in order that the State Board of Canvassers could consider the testimony and the county record.

After some discussion, Dr. Thigpen moved that the November 6, 1990, election for State House District #38 be overturned and a new election be ordered. Mr. Bradley seconded. The vote was unanimous. This decision was based on the facts that there was only a 4 vote margin of victory. It is the findings of the Board that there are enough improper votes to make a difference in the outcome of the election.

In the House District #37 race, Mr. Bradley made a motion that the election be overturned and a new election be ordered. Mrs. Nicholson seconded. The vote was unanimous. This decision was based on the fact that there was only a 26 vote margin of victory. There were enough improper votes to make a difference in the outcome of the election.

The next case to be considered was the Calhoun County Council District 3. Based upon the findings of the investigation made by the Calhoun County Board of Voter Registration, Mrs. Nicholson made a motion that the election be overturned and a new election be ordered. Mr. Bradley seconded. The vote was unanimous.

The Merrill-Fielding case for Probate Judge in Charleston County was the next topic of discussion. Mr. DePass stated that he would like to have another hearing of some type as he did not feel that the record from the county hearing was enough for him to base a decision on. Mr. Bradley agreed with Mr. DePass. Mrs. Nicholson and Dr. Thigpen wanted to vote to uphold the election and have SLED investigate the alleged discrepancies. Mr. DePass made a motion that the Commission have a hearing de-novo. Mr. Bradley stated that he would rather have a supplemental hearing. Mr. Ellisor reminded the Commissioners that they only needed two votes to ask for a hearing de-novo. Mrs. Nicholson asked if Mr. DePass and Mr. Bradley intended to have a hearing of some sort, whether it be de-novo or supplemental. They said yes. She said in that case she would rather have a supplemental than a de-novo. The Commissioners discussed calling both lawyers and if either of them would like to call additional witnesses, they would definitely have a hearing for supplemental testimony. Mr. Bradley made a motion to call the lawyers. Mr. Ellisor was unsuccessful at reaching Mr. Padgett, but he did speak with Mr. Kinard. Mr. Kinard expressed an interest in calling additional witnesses. Therefore, Mrs. Nicholson made a motion to have a supplemental hearing in order to ask for additional testimony. Mr. Bradley seconded. The vote was 3-1. The motion carried.

The meeting adjourned at 7:30 p.m.

Present: Mr. William B. DePass, Jr., Chairman; Dr. Neal D. Thigpen; Mrs. Mamie W. Nicholson; Mr. Philip T. Bradley; Mr. Sam Howell; Mr. James B. Ellisor, Executive Director; and Ms. Treva Ashworth, Sen. Asst. Attorney General.

On January 7, 1991, at 9:30 a.m., the State Board of Canvassers met in room 101 of the Blatt Building, to hear additional testimony in the case of Chris Merrill vs. Bernard Fielding for Charleston County Probate Judge.

Mr. DePass welcomed everyone and introduced all the State Board of Canvassers. He made a special introduction for Mr. Sam Howell. Mr. Howell has been recently appointed to temporarily fill Mr. Roger Leaks, Jr., Vice Chairman's seat until he returns from duty in the Persian Gulf.

Opening remarks were presented by attorneys for both the Appellant and the Respondent. Mr. Joseph S. Mendelsohn, who is the attorney for the Charleston County Election Commission also requested to be at liberty to question any witnesses called. Mr. DePass stated that he did not see any reason for Mr. Mendlesohn to question anyone since the Charleston County Election Commission is not named in this case. He did allow Mr. Mendlesohn to proceed and question Mr. Mosser, who was giving his testimony at that time. Mr. DePass did state, however, that he would not allow it from this point on. The Board of State Canvassers recessed for 10 minutes at this time so that they could discuss this matter with Mr. James B. Ellisor and Ms. Treva Ashworth, legal counsel for the Board of State Canvassers.

When the Board of State Canvassers returned, Mr. DePass informed Mr. Mendlesohn that the Canvassers had been advised that they should allow Mr. Mendlesohn to question any witnesses called. Mr. DePass also told Mr. Mendlesohn that he and the other Canvassers were concerned that he sits with the Respondent during these hearings.

The Board of State Canvassers recessed at about 1:30 p.m., in order to take a 30 minute lunch break.

Many witnesses testified. These witnesses were called by the State Board of Canvassers, with the exception of Mr. Leon Youngblood who was called by Mr. Padgett, and Ms. Sarah Epps who was called by Mr. Kinard.

Mr. Padgett, Mr. Kinard, and Mr. Mendlesohn presented closing arguments at this time. The Board recessed in order to discuss the supplemental testimony.

At this time, the Canvassers compared the numbers with those who voted in several precincts. Mrs. Nicholson said being a new Canvasser, she was not sure about Mr. Howell joining in on making a decision in this case when he was not present for all of the hearings concerning this case. Mr. DePass stated that Mr. Howell had been giving a copy of all previous hearings (including the county hearing) and Mr. Howell had therefore; been given the opportunity to review all of the hearings. Everyone was in agreement to let Mr. Howell help decide the outcome of the case.

After much discussion, Dr. Thigpen made a motion that the election be sustained as certified on November 8, 1990. Mr. Bradley seconded. A actual vote was not taken at this time and more discussion followed.

Mr. Howell then made a motion to overturn the election and order a new election. The vote was 3-2. Mrs. Nicholson and Dr. Thigpen voted against the motion. The motion carried.

At this time, the State Board of Canvassers voted publicly on the decision in front of those who were still present. The County Board made no findings of fact and did not issue any written Order. Therefore, this Board was forced to make it's own findings of fact based upon the testimony of witnesses at this supplemental hearing and the Transcript of Record of the hearing before the County Board.

The hearing was concluded at 9:15 p.m.

Present: Mr. William B. DePass, Jr., Chairman; Dr. Neal D. Thigpen; Mrs. Mamie W. Nicholson; Mr. Philip T. Bradley; Mr. Sam Howell; and Mr. James B. Ellisor, Executive Director.

On January 24, 1991, at 10:00 a.m., the State Board of Canvassers met at 2221 Devine Street, Room 539, to hear oral arguments from counsel. This hearing was requested by Mr. Lucas Padgett, attorney for the Respondent, Mr. Bernard Fielding.

At the beginning of the hearing, Mr. DePass stated that Mr. Kinard had submitted a motion to dismiss this hearing and an objection to the filing of the petition by Mr. Fielding to have the Board of State Canvassers hear oral arguments and reconsider their decision in this case. Mr. DePass over-ruled the objection and denied the motion to dismiss.

Mrs. Treva Ashworth, Sen. Asst. Attorney General, had been delayed and arrived at the hearing around 10:30 a.m.

Mr. Padgett, Mr. Kinard, and Mr. Mendlesohn presented their oral arguments and answered questions from the State Board of Canvassers at this time.

The State Board of Canvassers recessed at this time in order to consider the oral arguments.

After much discussion, Mr. DePass said he was comfortable with his initial decision. Mr. Bradley and Mr. Howell were in agreement that they were satisfied with their previous decision also. The State Board of Canvassers took a vote and the decision was still 3-2. Everyone cast the same vote as they cast on January 7, 1991.

Mr. Ellisor stated that he does not necessarily agree with the majority on the Merrill-Fielding case. However, he wrote the Order that he felt they wanted him to. Mr. DePass said the Canvassers had reconsidered the decision. Mr. DePass stated that he think's it is a legitimate position that Mrs. Nicholson and Dr. Thigpen have taken in this case. He understands that Mrs. Nicholson and Dr. Thigpen don't agree with the way the election was handled but that there are no numbers to back up the decision of the State Board of Canvassers. However, Mr. DePass said he thought it would be just as improper to be governed by what we think the Supreme Court will do in this case as to allow the things that went on in Charleston County to go on any longer. He is certain that this Board is right, whether or not the Board is right enough to be sustained by the Supreme Court.

Mrs. Nicholson left at this time due to hazardous weather. Mr. DePass asked if anyone objected to going into session as the State Election Commission at this time. There were no objections.

The meeting of the State Board of Canvassers adjourned at this time, and the Board went into session as the State Election Commission for their regular monthly meeting.

Board of Canvassers)

ORDER

Appellant A. J. Calder was a petition candidate for Sheriff in Chesterfield County in the November 6, 1990 General Election. Respondent Ralph C. Freeman was the democrat candidate. Freeman was certified the winner with 4,112 votes over Calder who received 3,444 votes. There were 15 write-in votes.

Calder protested the election to the Chesterfield County Election Commission in its capacity as the Chesterfield County Board of Canvassers on the grounds that crossover votes were not counted properly for him. Calder requested a recount from the County Board, but this request was denied.

Calder appealed the decision of the County Board and this Board heard the appeal on the Record below on November 21. 1990. This Board was convinced by the Record below that crossover votes were not counted properly when voters marked the straight Democrat circle and then came down in the body of the ballot and marked the individual voting square beside the name of Calder. This Board ordered a recount of all the ballots cast in the race for Sheriff in Chesterfield County. The recount was conducted by the Chesterfield County Election Commission. In the recount, Freeman received 4,117 votes, Calder 3,483 and there were 3 write-in votes for other candidates. The difference between Freeman and Calder is still 634 votes.

There being no other grounds in this appeal, this Board must uphold the election and deny the appeal.

BERTHA WILLIAMS, PROTESTANT,)
) ORDER
IN RE:)
AIKEN COUNTY BOARD OF EDUCATION,)
DISTRICT 7, NOVEMBER 6, 1990,)
GENERAL ELECTION.)
)

The Protestant Bertha Williams was a write-in candidate in the November 6, 1990 General Election for the office of Aiken County Board of Education in District 7. Her opponent, Mr. Glover Hickson, the Petition candidate, was certified the winner of the election with 1,257 votes. Mrs. Williams received 146 write-in votes in her name with the office of County Board of Education, District 7 properly written in with her name. Because the protest of Mrs. Williams alleged that voters were not properly instructed by poll managers in how to cast a write-in; and, further, because there was testimony that voters wrote Mrs. Williams' name on the vote recorders and ballot book labels rather than on the ballots stubs as required to properly cast a write-in vote, the Aiken County Election Commission certified all 460 write-in votes for Mrs. Williams. The County Board made this decision even though, to do so, would result in pure speculation as to whether or not all write-in votes were actually intended for Mrs. Williams. Under the long established rule laid down by our State Supreme Court in the case of Redfearn v. Board of State Canvassers, 234 S.C. 113, 107 S.E. 2nd. 10 (1959), such votes would not have been given to Mrs. Williams because it amounts to pure guesswork and speculation as to the intent of such voters.

The protest of Mrs. Williams was denied by the Aiken County Board. From the decision of the County Board, Mrs. Williams filed an appeal with this Board within the required time. At the hearing before this Board on November 29, 1990, Mrs. Williams stated that she was not protesting the outcome of the election, but wanted to make certain that the same mistakes do not take place in future elections and that other candidates get a fair election, which, she stated, she did not.

FINDINGS OF FACT

Although there is evidence in the Transcript of Record of the hearing before the County Board that voters did not know how to properly cast write-in votes using the vote recorder system, and poll managers in some of the voting precincts did not understand the system well enough to instruct voters if they had asked for instructions in casting a write-in vote, this Board is constrained to find that this did not affect the overall outcome of the election.

This Board wishes the Protestant Mrs. Williams to understand that it is first and foremost the responsibility of the candidate to inform her voters how to use the voting system in order to cast a write-in vote. Mrs. Williams testified that she was not given the position number by the Aiken County Election Commission of the write-in space for her office that voters were supposed to punch to indicate they were casting a write-in vote and that other candidates in the election were all informed by the commission what their position number on the ballot labels would be.

If Mrs. Williams was, in fact, intentionally not informed of her ballot position number when other candidates were so informed, this is inexcusable and cannot be tolerated.[1]

Mr. Eugene England testified at the hearing before this Board that, even though voters did not punch the write-in position for District 7, or did not write the office title on the ballot card, the vote for Mrs. Williams was still counted if her name was written-in on the ballot. Moreover, ballots where the write-in position for the District 7 Office was punched and no name written-in were given to Mrs. Williams. Therefore, this Board finds that no write-in votes were lost for Mrs. Williams except those written on the ballot book label or machine, itself.

This Board is very concerned, however, from the testimony by poll managers in Aiken County that they, themselves, did not understand how to cast a write-in vote. This Board directs the Aiken County Election Commission to make certain that all managers in future elections are thoroughly trained and instructed how the voting system operates and how write-in votes are cast.

We must also caution, however, that it is not the duty of the poll managers, without voters first asking for instructions, to initiate a conversation in which they offer instructions that might be interpreted as a suggestion that voters cast a write-in vote for someone.

It is obvious that voters did not know how to cast write-in votes in the election because the evidence is clear that voters actually wrote the name of candidates, including the name of Mrs. Williams, on the ballot book labels and vote recorder machines themselves. Of course, such votes were lost and not counted in the election. We do not know how many votes from the Record, but this Board finds that there were not enough to affect the result of the election and Mrs. Williams does not claim that there were enough such votes to affect the outcome.

---

[1] It is not a part of the record and it would not affect the decision of this Board if it were, but this Board was advised after the hearing that members of the commission staff had informed Mrs. Williams of her ballot position number on several occasions before the election.

If pencils and pens were not provided by the County Election Commission in voting booths as stated in the Transcript of Record, this creates a chilling effect upon the actual ability of voters to cast write-in votes when they choose to do so. A voter should not have to ask poll managers for a pencil or pen and thereby risk destroying the secrecy of his ballot. This is one of those subtle and invidious irregularities that can taint an election, but this Board cannot find that it did affect the actual, overall outcome of this election.

The evidence reflects that machines were not provided for Precinct 11 that included the Education Board, District 7 race when the polls opened. Such machines were not provided by the County Election Commission until approximately 138 persons had already voted in the election without the opportunity to vote in the District 7 race. This Board takes notice of the fact that the State Election Commission provided the Aiken County Election Commission with a computer printed report prior to the time for printing ballots that reflected that there were 604 persons registered to vote in Precinct 11 who were in Education Board District 7. This Board finds that it was error by the county election commission not to have provided the necessary machines with the District 7 race to Precinct 11 until 138 persons had already voted. This Board cannot, however, find that this error affected the final outcome of the election.

CONCLUSIONS OF LAW

As stated so many times by this Board in election protests and appeals and by the Supreme Court of South Carolina, every reasonable inference must be drawn to sustain contested elections and irregularities or illegalities are insufficient to set aside an election unless the errors actually appear to have affected the result of the election. Trapp v. S.C. Board of State Canvassers, 273 S.C. 163, 255 S.E. 2nd. 670 (1979), Aiken County; Sims v. Ham,275 S.C. 369, 271 S.E. 2nd. 439 (1978); Gregory v. South Carolina Democratic Executive Committee, 271 S.C. 364, 247 S.E. 2nd. 439 (1978); Berry v. Spigner, 226 S.C. 183, 84 S.E. 2nd. 381 (1954); Bolt v. Cobb, 225 S.C. 408; 82 S.E. 2nd. 789 (1954); Knight v. Board of State Canvassers, 297 S.C. 55, 374 S.E. 2nd. 685 (1988).

This Board is not happy with the conduct of the election by the Aiken County Election Commission in the areas where concern has been expressed in this order. We take this opportunity to urge the members of the Aiken County Election Commission to do everything they can to better prepare for elections in the future and to make certain all candidates, political parties and voters have fair and efficiently run elections in Aiken County.

Based upon the foregoing findings of fact and conclusions of law, we affirm the decision of the County Board upholding the election.

IN RE: Election for Anderson County Council)
Seat, District 4, November 6, 1990) ORDER
General Election.)
)

The Protestant Elise Cahaly and the Respondent Ed Allgood were candidates for Anderson County Council, District 4 in the November 6, 1990 General Election. Mr. Allgood was certified the winner by an 11 vote margin. Mr. Allgood received 3,057 votes and Mrs. Cahaly received 3,046 votes. Mrs. Cahaly protested the results of the election to the Anderson County Board of Canvassers. In a 4 to 3 decision, the Anderson Board denied the protest. Mrs. Cahaly timely appealed to this Board, and a hearing on the Record below was held by this Board on November 29, 1990. This Board unanimously reverses the decision of the County Board.

FINDINGS OF FACT

Council District 4 is split with District 1 or District 5 in 5 precincts in Anderson County - Orr Mill; Green Pond; Ward 5, Precinct 1; Edgewood; and Ward 1, Precinct 1. This Board is satisfied that the greater weight of the evidence contained in the Transcript of the hearing before the County Board reflects that either 25 or 26 persons voted in the wrong Council District in these 5 split precincts.

This Board actually counted for itself the number of persons who signed the poll list in the Edgewood Precinct who voted in Council Districts 1 and 4. The count by this Board confirms that done by witness McClain for the Protestant and presented in argument at the hearing before this Board. The computer printed results of the election, which are part of the Record, when compared with the number of voters who signed the poll list in Districts 1 and 4, convince this Board that at least 15 or 16 persons in the Edgewood Precinct alone voted in the wrong Council District. The error in the Edgewood Precinct is enough by itself to affect the outcome of this election with the difference between the two candidates only 11 votes. And this Board so finds.

In addition, there is uncontroverted evidence that two voters in Ward 1, Precinct 1, Mr. and Mrs. Robert Seawright, moved from this precinct more than 3 years before the election and were not entitled to vote there. These votes also are improper.

Although there was testimony that 18 persons, including the Seawrights, had moved from the address where they were registered, this Board is not completely satisfied by the greater weight of the evidence that those voters other than the Seawrights have legally changed their place of residence and have been given an opportunity to be heard in the matter. Hovever, it is not necessary to decide this point in making the decision to reverse the County Board.

CONCLUSIONS OF LAW

The rule of law in South Carolina is clear that improper votes in an election must be subtracted from the winning candidate. See decisions of this Board in protests from recent general elections: In Re: Appeal of Sumter County Council Election, 1984 General Election, Order dated November 27, 1984; In Re: Protest of Election For House of Representatives, District 84, 1988 General Election, Order dated December 19, 1988. This has always been the holding of the South Carolina Supreme Court. Hyde v. Logan, 113 S.C. 64, 101 S.E. 2nd. 41 (1919); Creamer v. City of Anderson, 240 S.C. 118, 124 S.E. 2nd. 788 (1962). By subtracting the 15 or 16 improper votes from the Edgewood Precinct alone, plus the two improper votes of Mr. and Mrs. Seawright, from the margin of the winner, the results of the election are in doubt.

Based upon the foregoing findings of fact and conclusions of law, the decision of the County Board is reversed and a new election must be held.

COUNTY OF CALHOUN   )

IN RE: ELECTION FOR CALHOUN)
COUNTY COUNCIL, DISTRICT 3)   ORDER
)

The Appellant, George Taylor, who was a candidate for the Calhoun County Council District 3 seat, protested the November 6 election. On November 15, 1990, a protest hearing was held before the Calhoun County Board of Canvassers. Following a hearing on the protest, the County Board upheld the election results. The Appellant filed an appeal with the Board of State Canvassers. A hearing was held by the State Board on November 26, 1990. The Board heard the appeal on the record below and allowed new evidence to be presented in support of the grounds set out in the protest. The protest concerned, inter alia, questions concerning whether persons registered in the split precincts of Murph Mill and Bethel, were registered in the correct county council districts. Following the hearing the Board ordered the Calhoun County Board of Registration to check the list of registered voters to determine whether or not the persons living in these precincts were properly registered. The Board also requested the Registration Board to check the Fall Branch precinct, which had been raised at the hearing below and in the hearing before the State Board as having similar problems. The registration board was directed to report back with its findings on December 11. On December 11, the hearing reconvened and the evidence from the registration board was received and counsel for the parties were allowed the right to examine the registration board witness. Following receipt of this additional information the Board decided unanimously to reverse the decision of the county board and to call for a new election to be held for this council seat.

FINDINGS OF FACT

At the election of November 6, 1990, George Taylor received 472 votes to Roger Hill's 509 votes, a difference of 37 votes. Ms. Kathy Crosby, Vice Chairman of the Calhoun County Board of Registration testified at the hearing held on December 11 that the Board of Registration had determined that in the Bethel precinct either 20 or 22 persons had been placed in the wrong county council district; meaning that if a person actually lived in County Council District 3 he may have been incorrectly placed in County Council District 4, or a person living in 4, in 3. The Board of Registration provided a listing by name and district of all the persons who voted in these precincts on the day of the election. This Board has made its own count and has found that 22 persons are incorrectly registered. Ms. Crosby further testified that 18 persons were registered in the wrong district in the Bethel precinct. This Board has re-checked these figures and concurs. Therefore, in Bethel and Murph Mill there are 40 persons who came to vote and were registered in the wrong district.

The listing provided to this Board of persons who voted and the districts in which they voted had a third column which purported to represent the ballot the voter was actually given. There was additional testimony from Ms. Crobsy concerning this third column: that the information from which this third column was compiled came from information received from poll managers and that she didn't know if it came from their memories or if the poll managers called voters to determine which ballot they received. Reba Dixon, who was a poll manager at Bethel precinct, testified at the December 11 hearing that she assisted in the preparation of this information. She further testified that on the day of the general election, if she knew the voter and believed them to be registered in the wrong county council district, she would correct the error by giving the voter the correct ballot. She testified that this was a procedure that she instituted with persons she knew. However, she did not testify as to how many voters she actually gave corrected ballots. Obviously, however, not all incorrect district designations were corrected on the day of the election. There is testimony in the record from the County Board from Richard Sweatt that he and his wife went to vote in Bethel precinct and, although they lived in District 3, they were given District 2 ballots even after talking to the poll manager and stating they believed they were given the wrong ballots (Tr. pp. 47-49)

Regardless of how the information was gathered it is not reflected in notations on the original poll list or computer printed election list and was beyond the information requested by this Board. Further, according to the attorney for the Appellant, the information was not provided to the Appellant in sufficient time prior to the hearing to provide him an opportunity to examine and prepare a response to this third column information.

The information provided in this third column is at best questionable based as it is on recollections and not demonstrative evidence.

The Board finds that this information is based on hearsay and was compiled outside of the record. The Board has determined that it cannot accept the credibility of the testimony presented concerning the information contained in this third column and that it cannot be relied upon.

Ms. Crobsy also testified as to the number of persons improperly registered in the Fall Branch precinct. That number was 34 persons.

Additionally, in the hearing below there was testimony that two voters, Joe Nathan Wannamaker and Annie Bell Lykes, actually live in Lexington County but are both registered and voted in District Three in the Sandy Run precinct of Calhoun County on the day of the election. At the November 15 hearing before this Board additional documentary evidence was received that reflected that the Lexington County tax records show these two individuals as residents of Lexington County.

CONCLUSIONS OF LAW

From the evidence before this Board, the 22 persons improperly registered in the Bethel precinct added to the 18 in Murph Mill yield a total of 40 persons who, according to the Calhoun County Board of Registration's own records, were registered to vote in the wrong district. This Board cannot assume these 40 persons were all somehow given the correct ballot at the polls by alert poll workers who realized these persons were given a ballot for a district in which they did not live. Additionally, by adding the two voters who live in Lexington but voted in the Sandy Run Precinct of Calhoun County the total of questionable votes becomes 42. The margin of victory was only 37 votes, thereby bringing the election into doubt.

There was some dispute at the hearing before this Board as to whether or not information concerning the same registration problem in Fall Branch should be received as it was not a specific ground listed in the protest.

South Carolina Code of Laws, 1976, Section 7-17-70 provides in part that if the State Board believes the facts should be reviewed then a hearing de novo can be held. This provision gives the Board broad authority to hear any new evidence that it feels necessary to determine the appeal.

The Board voted unanimously in this case to receive new evidence regarding this appeal. The Respondent was aware from the testimony before the County Board that the Fall Branch precinct was at issue, and he had almost two weeks to prepare for the appeal in this matter. Testimony concerning Fall Branch was received before the County Board apparently without objection. (TR. pp. 13; 35) The Board, therefore, concludes that the Respondent was not prejudiced by the admission of this information regarding Fall Branch. Although this Board has made its determination without relying upon these figures, the Board takes notice of the fact that there are 34 persons registered in the wrong council district in that precinct. Adding these 34 persons to the previous 42 brings the known number of persons who came to the polls to vote and were registered in the wrong council district to 76.

The rule of law in South Carolina is clear that improper votes in an election must be subtracted from the winning candidate. See, *Hyde v. Logan,* 113 S.C. 64, 101 S.E.2d 41 (1919); *Creamer v. City of Anderson,* 113 S.C. 64, 101 S.E.2d 788 (1962).decisions of this Board in protests from recent general elections: *In Re: Appeal of Sumter County Council Election, 1984 General Election,* Order dated November 27, 1984; *In Re: Protest of Election For House of Representatives, District 84, 1988 General Election,* Order dated December 19, 1988.

The Board finds that the election is in doubt as at least 42 voters were registered in the wrong Council Districts and 76 voters if the Fall Branch precinct is included. The election being in doubt, the decision of the County Board is reversed and a new election shall be held.

---

PER CURIAM: This matter is before the Court by way of a petition for a writ of certiorari seeking review of an order of respondent South Carolina Board of State Canvassers (the State Board) which reversed an order of respondent Calhoun County Board of Canvassers (the County Board), and ordered a new election be held for the District 3 seat on Calhoun County Council. We grant the writ, dispense with further briefing and reverse the order of the State Board.

Petitioner (Hill) won the District 3 seat by thirty-seven (37) votes. Respondent George Taylor (Taylor) filed a protest with the County Board which, after a hearing, upheld the election. Taylor thereafter filed a notice of protest and protest with the State Board. The crux of his protest was that in two (2) precincts there were more ballots cast for the District 3 Seat than there were District 3 voters indicated on the voter registration lists for those precincts. Hill argues that, because no challenge was raised to these "over-votes" at the time the ballots were cast, Taylor's protest was barred. We agree.

Taylor concedes no challenges were made to the ballots at the time they were cast. Rather, he contends that, under S.C. Code Ann. § 7-13-810 (Supp. 1990), his protest was timely because it was based on evidence which was not available until after the vote was cast. In our opinion, the facts underlying Taylor's protest do not constitute evidence which would not be available until after the ballots were cast. The discrepancies between the district where a voter actually resided and the district designation on the voter registration lists could have been discovered prior to the election. Further, we see no reason why a challenge could not have been made at the time a voter was given a ballot for a different district than the one which appeared on the registration list.

The reason for requiring a contemporaneous challenge to a ballot is made clear by the conclusion of the State Board that it could not assume that the forty persons identified as being registered to vote in the wrong district were all actually given correct ballots at the polls. Had a challenge been raised by Taylor at the time a ballot was dispensed, there would be no need to make assumptions of any kind, since the challenged ballot would have been segregated and a record made of the determination of the challenge.

We share the concern expressed by the State Board regarding the misidentification of voters on the registration lists. However, it was error for the State Board to order a new election where no challenge was made to the misidentified voters' ballots until after the ballots were cast and counted. Accordingly, the order of the State Board is

G. RALPH DAVENPORT, PROTESTANT) ORDER
IN RE:)
HOUSE DISTRICT 37 ELECTION)
OF NOVEMBER 6, 1990.)
)

Protestant G. Ralph Davenport was the incumbent candidate from House of Representatives District 37 in the November 6, 1990 General Election. Kathleen Kempe, the respondent in this protest, was the other candidate and was certified as the winner of the election with 2,466 votes. Representative Davenport received 2,440 votes, and there were 7 write-in votes cast. Only 26 votes separate the two candidates. Representative Davenport filed his protest with the State Board within the required time, and a hearing on the protest was held by the Board on December 11, 1990.

FINDINGS OF FACT

At the hearing, the Protestant presented Mr. Neal Lee as a witness. Mr. Lee testified that, using the official records of who voted in the election, he and other persons prepared a list of persons that were not residents of House District 37. This list was offered into evidence and contained 69 names. Mr. Lee stated that, with the exception of number 17 on the list, the first 20 names were people who had previously resided in House District 37, but had moved from the address where they had registered to vote. The remaining names listed from 21 - 69 were persons who lived at the address where they registered, but were persons who actually lived outside District 37.

Mr. Lee testified that he furnished this list to the Spartanburg County Registration and Election Commission to be checked prior to the protest hearing. One of the most respected and experienced persons in voter registration and elections in South Carolina, Mrs. Betty Moore, Director of Voter Registration and Elections for Spartanburg County, was called by the Protestant to testify. Mrs. Moore said that she had examined the list and she positively identified 39 persons in the Magness Drive area registered incorrectly in House District 37, Hilltop Precinct. Mrs. Moore produced a copy of the application for registration for each of these 39 persons, and these documents were introduced into evidence. Mrs. Moore testified that these 39 persons should have been registered in House District 31 in Whitney-B Precinct.

There was a stipulation between the parties that these 39 persons signed the poll list on election day, and the offical list of voters indicates that these persons voted in the election.

Although Mr. Lee testified that he used the telephone book, the city directory and talked with neighbors in making his determination that the persons listed 1-20 (except No. 17) no longer resided at the address where they registered, this Board is not convinced that these persons have actually changed their legal residence. The Protestant subpoenaed the records of Southern Bell Telephone Company as further evidence the persons had moved, but this information when presented was inconclusive at best. This Board cannot find that these 19 persons have legally changed their place of residence from the evidence presented by the Protestant, but such finding is not necessary to determine the outcome of this protested election.

This Board takes notice from the official house district and precinct maps that the Hilltop precinct is contained completely within the boundaries of House District 37. In other words, the precinct is not split by two or more house districts. Persons registered in the precinct can vote only in House District 37; no other house district race is on the ballot. Therefore, this Board finds that the votes of the 39 persons who were incorrectly registered and permitted to vote in the Hilltop Precinct were improper and affect the outcome of this election.

CONCLUSIONS OF LAW

The rule established by our South Carolina Supreme Court and followed by this Board over the years is that improper or illegal votes in an election must be subtracted from the winner. Johnston v. Corporation of City of Charleston (1795), 1 Bay (1 S.C.L.) 441; State ex rel. Davis v. State Board of Canvassers (1910), 86 S.C. 451, 68 S.E. 676; Easler v. Blackwell (1940), 195 S.C. 15, 10 S.E. 2nd. 160; Creamer v. City of Anderson (1962), 240 S.C. 118, 124 S.E. 2nd. 788. Therefore, based upon the foregoing findings of fact and conclusions of law, this Board is without choice in holding the results of this election to be in doubt. In order to resolve this doubt a new election must be held.

STATE OF SOUTH CAROLINA

BEFORE THE BOARD OF STATE CANVASSERS

IN RE: ELECTION FOR SOUTH CAROLINA)
HOUSE OF REPRESENTATIVES, DISTRICT 38) ORDER
NOVEMBER 6, 1990 GENERAL ELECTION)
)

This protest was timely filed by Judy Bradley (Protestant), who was a candidate for State House of Representatives, District 38 in the November 6, 1990 General Election, against incumbent Representative Danny Bruce (Respondent). Respondent Bruce was certified the winner with 2867 votes over Protestant Bradley with 2863 votes - a 4 vote margin of victory. A hearing on the protest was held by this Board on December 11, 1990.

FINDINGS OF FACT

The Protestant has the burden of proof in an election protest. This burden must be carried by the greater weight or preponderance of the evidence. The evidence produced by the Protestant in this matter is more than adequate to carry this burden.

The evidence produced by the Protestant is uncontroverted and clearly shows that 7 persons who voted in the Motlow Precinct and 1 person who voted in the Gramling Precinct, both precincts being within House District 38, were incorrectly registered in the Motlow and Gramling Precincts. The evidence, without any question, reflects that the residence of each of these 8 voters was actually in Holly Springs Precinct, which is within House District 36. Therefore, this Board finds that these 8 persons voted in House District 38 and these votes are improper in the House District 38 race. This finding is clearly supported by the testimony of witnesses Don Stone and Dr. Ron Romine and by the maps, voter registration lists and poll lists introduced into evidence.

Further, there was the uncontested testimony of Rose Mitchell, confirmed by the maps, that Ms. Mitchell resided in the Inman Precinct in House District 38. She was required on election day to vote in the Cunningham Precinct. Mrs. Betty Moore, Director of the Spartanburg Registration and Election Commission, testified that Cunningham Precinct was in House District 36. This Board finds that this was error and Ms. Mitchell was entitled to vote in House District 38 in the election.

There was also testimony from Mr. Haskel Pendland that two voters registered in the Landrum Precinct in House District 38 actually resided in the State of North Carolina some 2.1 miles from the state line. However, it is unecessary for this Board to find that these two persons are not residents of House District 38 in order to decide this election protest.

It is the finding of this Board that the 8 improper votes in the Motlow and Gramling Precincts together with the improper vote of Ms. Rose Mitchell are enough to affect the outcome of this election.

There was an effort by the Respondent to convince this Board that the official records of this election could have been tampered with after the election and this could have tainted the evidence presented by the Protestant. This Board finds that there has been no showing that the records were tampered with by anyone and there is no evidence to lead this Board to believe that the certified results of the election are incorrect.

CONCLUSIONS OF LAW

It is a well-settled rule of law in South Carolina, established by our State Supreme Court and consistently followed by this Board over the years, that improper or illegal votes in an election must be subtracted from the winner. Hyde v. Logan, 113 S.C. 64, 101 S.E. 2nd. 41 (1919); Easler v. Blackwell, 195 S.C. 15, 10 S.E. 2nd. 160 (1940); Creamer v. City of Anderson, 240 S.C. 118, 124 S.E. 2nd. 788 (1962). In Re: Appeal to State Board of Canvassers From Decision of Sumter County Election Commission (1986); In Re: Protest of Election For House of Representatives, District 84, 1988 General Election, Before the Board of State Canvassers (1988).

Respondent urged this Board to depart from the precedent of prior decisions where this Board has held votes to be illegal or improper when voters are registered in the wrong election districts and voted in the election. See 1986 Sumter County Appeal, supra; 1988 Aiken County Protest, supra. There is a presumption of law that voters actually voted in the election districts in which they are registered by the County Board of Voter Registration and listed beside their names on the official list of registered voters used in the election. Brisbane v. Thornton, 258 S.C. 524, 189 S.E. 2nd. 827 (1972). The Respondent has introduced no evidence that voters in this election voted in House Districts other than the ones in which they were registered and listed beside their names on the official voter lists. In the absence of any evidence to the contrary, this Board is compelled to uphold the presumption and can find no reason to deviate from its prior decisions.

Moreover, this Board takes notice of the fact that everyone registered in the Motlow Precinct and the Gramling Precinct vote for the same House District race, i. e., District 38. In other words, these precincts are not split with any other house district; they are both totally within the boundaries of House District 38. Anyone who voted in the Motlow or Gramling Precincts could only vote in House District 38 because that was the only house district on the ballot in these precincts.

Therefore, based upon the foregoing findings of fact and conclusions of law, this Board holds that the election results are in doubt and a new election must be held.

Accordingly, IT IS SO ORDERED.

EX PARTE:)
H. P. "CHIP" LIMEHOUSE, III,)
PROTESTANT,)
) ORDER
IN RE:)
SENATE DISTRICT 45 SPECIAL)
ELECTION OF NOVEMBER 6, 1990.)
)

A special election to fill a vacancy in Senate District 45 was held on November 6, 1990, the same date as the statewide General Election. In this election, the Protestant received 7,986 votes and the Respondent, McKinley Washington, Jr. received 10,686 votes. The Protestant filed a timely protest asking this Board to declare the election void and to hold a new election. A hearing was held on the protest by this Board on November 26, 1990.

Prior to the election, the Protestant and Respondent brought suit in the Court of Common Pleas seeking to have the Court permit holding the special election on the same date as the General Election.

S.C. Code, Section 7-13-190(B) directs that special elections be held on the eighteenth Tuesday after a vacancy occurs. Under this statute, the special election in Senate District 45 would have been scheduled for General Election Day, November 6, 1990. S.C. Code, Section 190(B) states that if the eighteenth Tuesday falls on a holiday, then the special election is to be held one week later. The statute on legal holidays, S.C. Code, Section 53-5-10, makes General Election Day a holiday. The Court held that the special election could be held on the same date as the General Election. See Order of Circuit Judge E.C. Burnett III, dated October 5, 1990, S.C. Democratic Party, et al. v. South Carolina Election Commission, et al., C/A # 90-CP-07-1721.

FINDINGS OF FACT

Although, this was a special election and not actually a part of the regular General Election, the county election commissions in the 6 counties in the senatorial district decided to set up the ballot with the candidates of the democratic and republican parties in the special election controlled by the same straight party vote as candidates of their respective parties in the General Election. This fact was stipulated to by the Protestant and the Respondent at the hearing.

The testimony at the hearing reflected that there was a request prior to the election from both the State Democratic Party and the State Republican Party that the ballot be set up this way. Based upon this apparent agreement, the staff of the State Election Commission by memorandum so advised the respective county election commissions. However, the State Republican Party subsequently advised the State Election Commission that it would not speak for their candidate on this matter and would leave the decision to the local election officials. The Protestant was not consulted by the 6 county election commissions before the ballot was set up. It was sometime during the week before the election that the Protestant learned the ballot was set up with the candidates under the same straight party vote as candidates in the General Election. The Protestant by letter dated November 2, 1990, protested this ballot arrangement and requested that separate ballots be printed for the special election. In his letter, the Protestant further challenged every vote cast in the election using this ballot set up.

The Protestant and his father, Mr. "Buck" Limehouse, telephoned the executive director of the State Election Commission, James B. Ellisor, on Thursday before the election and made the same protest of the ballot arrangement. At the direction of Mr. Ellisor, separate paper ballots for the Senate District 45 Special Election were printed over the weekend and were furnished to the 6 county election commissions on Monday, November 5, the day before the election. The separate paper ballots were not used by any of the 6 counties in the Senate District Election.

Although voting for candidates in the special election was controlled by the same straight party vote as for candidates in the General Election, the ballots and ballot labels introduced into evidence that were used in all 6 counties reflect that the special election for Senate District 45 was clearly identified as a special election.

The Protestant testified that he felt the election was unfair to him because voters using the electronic voting machines in 5 counties could not vote straight democrat and then crossover and vote individually for him. This, of course, is a misconception of how the electronic voting machines operate. They, like all other voting systems used in South Carolina, do permit voters to vote straight party for one party and crossover and vote individually for candidates of another party. This Board takes notice of this fact.

The evidence at the hearing clearly reflects that the Chairman of the Charleston County Election Commission also serves as the Chairman of the Charleston County Democratic Party.

There was also evidence in the hearing that notice was not given to the political parties and the Protestant of the time and place that the voting machines and vote recorders would be prepared for the election. However, there is no evidence at all introduced that would reflect that the machines and vote recorders were not prepared and programed properly.

CONCLUSIONS OF LAW

The Protestant argues that the law requires that a special election held on the same date as the General Election be held as a separate election, and the ballot must be set up separate from the General Election ballot. Moreover, he asserts that failure to do so renders the special election void. In support of this position, he cites S.C. Code, Section 7-1-10 (1)(2) and the cases of Ballenger v. City of Wellford, 316 S.E. 2d. 371; Callison v. Peeples, 86 S.E. 635; Corn v. Blackwell, 191 S.C. 193, 4 S.E. 2d. 254 (1939); and Trapp v. S.C. Board of State Canvassers, 273 S.C. 163, 255 S.E. 2d. 670 (1979).

S.C. Code, Section 7-1-10(1)(2) defines "General Election" and "Special Election" as follows:

> "(1) 'General Election' means the election provided herein to be held for the election of officers to the regular terms of office provided by law, whether State, United States, county, municipal or of any other political subdivision of the State, and for voting on constitutional amendments proposed by the General Assembly;
>
> (2) 'Special Election' means any other election including any referendum provided by law to be held under the provisions of law applicable to general elections."

The statutory definitions of general and special elections relied upon by the Protestant do not relate to the issue at hand and give absolutely no guidance concerning whether it is permitted or proscribed to include candidates running in a special election in the same straight party vote with candidates of their respective parties listed on the ballot who are running in the General Election on the same day. What is clear, however, is the fact that S.C. Code, Section 7-13-320(E) cited by the Protestant gives the responsibility for printing, distribution and ballot arrangement to the respective county election commissions for the office of State Senate. Only in the event that the counties in multi-county districts cannot agree among themselves does the State Election Commission become involved in making a decision how the ballot will be arranged.

Section 7-13-320(E) reads as follows:

The names of the several officers to be voted for and the tickets of the parties and petition candidates shall be placed on the ballots in an order as arranged by the State Election Commission as to those ballots for which it is responsible for distribution and by the commissioners of election for the respective counties as to the ballots for which they are responsible for distribution, including those for State Senator and member of the House of Representatives. If the State Senator or member of the House of Representatives or any other officer is to be elected from more than one county, the commissioners of election from the various counties from which they are to be elected shall assure that there shall be uniformity of placement on the ballots of their respective counties and should the commissioners fail to agree within sixty days prior to the general election, and upon receipt of written certification by at least one commissioner, that they have failed to act, the State Election Commission shall determine the order of placing the names on the ballots." (Emphasis Added).

There are no other provisions of the statutory law or any court decisions that this Board is aware of that shed any clear light upon this issue. Although this Board might consider it more appropriate to print separate ballots for the special election or to set up the voting machines and vote recorders without the vote for candidates in the special election being controlled by the straight party vote of their respective parties on the General Election ballot, this Board is without authority to substitute its judgment for that of the county election commissions.

The court decisions that were cited by the Protestant are not dispositive of the issues before this Board and can be clearly distinguished on the facts.

The case of Ballenger v. City of Wellford, 316 S.E. 2nd. 371 (1984) dealt with the failure of the city in an annexation election to provide a separate ballot box within the area to be annexed, which was specifically required by statute. The Court held that "(t)o require that the voters travel approximately three (3) miles, roundtrip, in order to vote and then cast their ballots at the City voting place has the potential to chill the desired expression of the wishes of those in the area to be annexed." Here, unlike in Ballenger, there is no statute that specifically requires that the special election ballot be separated from the General Election ballot when the elections are held on the same date and in the same places. Here, unlike in Ballenger, the voters did not have to travel any additional distance to vote. They voted in their regular voting place for both elections. There was no chilling effect upon the desired expression of the wishes of the voters. To the contrary, the whole purpose for holding both elections on the same date was to enhance the voter turnout for the special election rather than chill the voter turnout.

In the case of Callison v. Peeples, 86 S.E. 635, an election was being held to create McCormick County from a portion of Greenwood County. There, the election officials failed to provide a place to vote for residents of three of the four precincts involved in the area of the proposed county. The facts of the Callison case are in no way analogous to the issue before this Board. Although the Court in the Callison case held it was error not to provide the required voting places, the Court went on to say that the number of persons who did not get to vote would still have to affect the outcome of the election before it would be held invalid. In the case before this Board, there is no evidence at all that anyone did not get to vote or that voting places were not provided. The Callison case is not controlling here.

Corn v. Blackwell, 4 S. E. 2d. 254, is well known to this Board and can be easily distinguished from the matter to be decided here. Article II, Section 1 of the Constitution of South Carolina provides for voting by secret ballot. In Corn, the election officials failed to perforate the numbered ballot stubs and the stubs could not be detached from the ballots. The Court held the election void because it could be determined how every person voted in the election by comparing the number on the ballot with the line number on the poll list signed by the voters. The guarantee of secrecy of the ballot was destroyed. There is no such comparison to the facts of this protest. The secrecy of the vote of no one in this election has been destroyed.

The only issue in the case of Trapp v. Board of State Canvassers, 255 S.E. 2d. 670 (1979), related in any way to this protest was the failure of the poll managers in Trapp to give voters, whose ballots had been challenged, notice of the time and place of the hearing on the challenged ballots. There, the Court ordered that the ballots be recanvassed and challenged voters given notice and an opportunity to be heard. Although the Protestant challenged the entire election before it was held, that is not considered the same as challenging the right and qualifications of individual voters on election day. The hearing by this Board is the appropriate forum for the Protestant to challenge the election, and he has been granted that opportunity.

It has been held on a number of occasions by the Supreme Court of South Carolina that all reasonable inferences must be drawn in favor of the validity of contested elections. Trapp v. Board of State Canvasser, supra, citing Drawdy v. South Carolina Democratic Executive Committee, 247 S.E. 2nd. 806 (1978). Also, this Board and the State Supreme Court have consistently held that elections will not be overturned for irregularities that are not shown to affect the outcome of the election. Berry v. Spigner, 226 S.C. 183, 84 S.E. 2nd. 381; Knight v. Board of State Canvassers, 297 S.C. 55, 374 S.E. 2nd. 685 (1988).

Assuming for the purpose of argument only, that placing the Special Election for Senate District 45 on the straight party vote for the General Election was an irregularity, it still has not been shown by the Protestant how this did, in fact, prejudice his election. Certainly, he has not shown that the votes of 2,699 persons, which is the difference in the election, were affected.

Briefly, considering the allegation of dual office holding, this Board is aware of no court decision or opinion of the South Carolina Attorney General that has ever held that the position of Chairman of a political party is an office within the restrictions placed on dual office holding by the South Carolina Constitution. Neither has the Protestant provided this Board with any such holding. This Board has gone on record a number of times in an effort to discourage those who insist on actively participating as an official in political party affairs while simultaneously serving as a member of a county or local election commission. Under the current law in South Carolina, it does not appear to be illegal, but it is not condoned by this Board. Due to recent events, there has been a loss of public confidence in government at all levels. This Board is not saying that persons cannot serve fairly in two closely related positions at the same time; this Board is saying, however, that the public may well perceive a conflict of interest by officials who continue to hold both positions at the same time.

Therefore, based upon the above Findings of Fact and Conclusions of Law, it is the decision of this Board that the election be upheld and the protest denied.

ACCORDINGLY, IT IS SO ORDERED.

Protestant) Concurring Opinion
In Re:)
Senate District 45 Special)
Election of November 6. 1990)

This case has some very troubling aspects which deserve to be aired. and I choose to do so separate from the Canvassers' order. It is not enough that the Board of State Canvassers determine simply whether or not an election result could have been changed and walk away. There are more questions posed by today's hearing than were answered by it, and the questions do not reflect on the candidates. they reflect on those charged with the responsibility of conducting the election.

Particularly troubling is the fact that the staff of the State Election Commission was unwittingly involved in this situation. The Canvassers took the unusual step of calling two of its own staff members. James F. Hendrix and James B. Ellisor, to testify as to the supposed agreement on the arrangement of the ballot in the special election to combine it with the general election to be held on that date. Testimony pointed to Donna Royson, another staff member, who had gotten her information from Mike Burton, Carol Khare and Betsy DuRant, all functionaries of either Candidate Washington or the Democrat or Republican Party. Mr. Washington was informed of the arrangement, Mr. Limehouse was not. Both political parties were informed. Mr. Limehouse apparently stumbled across the information late in the week before the election. Ms. Royson was not available and no effort was made by Mr. Limehouse to present further information on this point. I see nothing particularly diabolical about the events in this case, but I do find it curious that six separate and autonomous election commissions would agree to set up an election in a manner other from that which, we are advised, would have been set up by the State Election Commission.

The law is specific in defining a "special" election as something separate from a "general" election. Indeed, a special election is defined as "any other election" other than a general election. A "general" election is defined as one in which "the election of officers to the regular terms of office provided by law" is held. By those definitions contained in Section 7-1-20 of the S. C. Code of Laws, the election held November 6. 1990, was clearly a "general" election and the election to fill the unexpired term in State Senate District 45 was clearly a "special" election. Therefore, there were two elections held on November 6, 1990, in State Senate District 45. There were two poll lists, but there was only one ballot, and it took only one "punch" or one "push" to cast a vote in both elections.

Only in the situation which arises from a vacancy in the office of United States Senator is a "special" election combined with a "general" election. In that case the law requires that the Governor may fill the position by appointment "which shall be for the period of time intervening between the date of such appointment and January third following the next succeeding _general_ election." (Section 7-19-20) (Emphasis added) Here it would be entirely logical to combine the election with the general election ballot because that is what is referred to in the law.

In the case of Senate District 45, state law required that the election _not_ be held on "general" election day because that day was be a holiday. However, both candidates agreed to petition the court to remedy this absurd situation and were successful in having the "special" election scheduled for "general" election day. The order in the case of _South Carolina Democratic Party, et al. v. South Carolina Election Commission, et al_. specifically states that "each special election situation must be weighed on its own merits and that this decision is binding only on" this particular situation. Clearly the purpose was to increase the turnout in the "special" election, which is desirable, but nowhere in the order or in the law is there even a reference to "combining" the "special" election with the "general" election ballot.

The South Carolina Election Commission provided paper ballots for the election on very short notice in order to prevent just the sort of protest we have before us. It was convinced sufficiently on Friday before the election that a problem existed that paper ballots were ordered as the only practical means to remedy the situation. Unfortunately, there are further problems caused by the use of paper ballots: (1) no pre-clearance by the U.S. Department of Justice; (2) last minute change for the poll managers as well as the candidates; (3) they are the least desirable form of voting; and (4) since it would be too late to remove the race from the machines, it could call into question whether a person had voted in the Senate race if he voted on the machine and not on paper ballots.

The South Carolina Election Commission has no authority to force the county election commissions to handle an election or set up a ballot to its standards. However, implicit in the delivery of paper ballots to the six counties involved in this election is the advice that it would be better to use them than to use the form planned for this election. None of the counties did so.

Counties involved also failed to comply with Sections 7-13-1390 and 1750 of the S.C. Code in that no notice was given to anyone representing the candidates to enable them to inspect the voting machines. These laws are on the books for a reason, and in this particular case, had they been followed, the basis for this protest would have been discovered earlier and in time to resolve any difficulty well before Election Day. Whether it is because voting officials simply do not want to be bothered with what might be considered the petty requirements of the law in setting up an election, or whether it is because there was some perceived advantage for one candidate or other, we do not know. It is more logical perhaps to believe that (except in Beaufort) the elections were combined because of the very expensive voting equipment used by the counties which did not allow enough flexibility for a separate machine to be diverted to the Senate race in each precinct for use in the "special" election. However, it is clear from the events of which we are aware that there was no effort to treat the candidates in the Senate election equitably. They mis-handled the challenge made in that they did not deny or uphold it, they ignored it.

The election commissions in the six counties violated the law, they violated logic, and they violated fairness, but that's OK because there is insufficient evidence to suggest that it affected the outcome of the election. The principle of law which constrains us here in a good one, but it should not be sacred. Where does it stop? How many times can the law be broken, and how many candidates denied fairness before we say we have had enough? This is precisely the type thing that sickens the very public our political candidates seek to serve. The public expects everyone to be treated fairly, they expect the law to be followed, and when those of us who are charged with the responsibility of elections do not do that, they lose their confidence in us, in politics, and in their government.

Finally, I want to mention briefly the simultaneous holding of the positions of political party chairman and election commission chairman. Clearly they are not both offices under the South Carolina Constitution. However, I do not feel that it is adequate simply to say such a circumstance is not condoned by this Board. The office of chairman of a political party creates a fundamental conflict of interest with that of an election commissioner. Such a combination is obviously improper and should be avoided. There may be those who could do it and never create a question, but why take the chance? Why create another obstacle to the public's confidence in the electoral process? If individuals do not have the courage to remove this conflict themselves, the legislature should do it for them.

STATE OF SOUTH CAROLINA

BEFORE THE BOARD OF STATE CANVASSERS

Chris Merrill,

Appellant,

vs.

Bernard Fielding,

Respondent,

In Re: Appeal of Charleston
County Probate Judge Election,
November 6, 1990.

ORDER

This matter is before the State Board of Canvassers on a protest by Appellant Chris Merrill, a candidate for Charleston County Probate Judge in the November 6, 1990, General Election. The Respondent Bernard Fielding received 29,492 votes in that election and the Petitioner Merrill received 29,038 votes. Fielding was certified the winner by a margin of 454 votes.

Merrill filed a timely protest with the Charleston County Board of Canvassers ("County Board") on the grounds, among others, of voting irregularities at the McClellanville and Wadmalaw Island Precincts and discrepancies in vote totals. The County Board dismissed the protest without a written order or findings of fact. Merrill timely appealed to the Board of Canvassers on November 19, 1990. This Board, after hearing oral arguments by attorneys for the parties on December 7, 1990, determined by a vote of three of its members to receive additional evidence pursuant to §7-17-70, South Carolina Code, 1976 (as amended), to enable it properly to determine the appeal.

This Board reconvened for that purpose on January 7, 1991. Based on the record before it, including the additional evidence received, the Board voted to reverse the County Board and overturn the election for probate judge, and to petition the Governor to order a new election in Charleston County for probate judge.

On January 10, 1991, before a written order was issued, the Respondent filed a Petition for Reconsideration or Oral Argument. The Board granted the request for oral argument and heard the Petition for Reconsideration on January 24, 1991. Based on the entire record before the Board and having heard the arguments of counsel, the Board denies the Petition for Rehearing, and hereby orders that the decision of the County Board be reversed and that the election for Charleston County probate judge be overturned. It further orders that, unless a timely notice of appeal has been filed with the Supreme Court, the Executive Director of the State Election Commission shall, on the eleventh day following issuance of this Order, petition the Governor to order a new election for probate judge of Charleston County.

The County Board made no findings of fact and did not issue any written Order. This Board is, therefore, compelled to make its own findings of fact based upon the Transcript of Record of the hearing before the County Board and upon the supplemental testimony and evidence received at the January 7, 1991, hearing before this Board. This order is based on the following findings of fact and conclusions of law.

I. FINDINGS OF FACT

a. Vote Count Discrepancies

1. The appellant complained that the vote total as reflected on the protective counters of 29 voting machines did not match the vote total reflected on the combined public counters of those machines.

2. The Board finds that for 28 of these machines, the beginning total from the combined protective counters of each machine subtracted from the ending total of the same counter was equal to the ending number on the combined public counter of those machines.

3. The handwritten entry on the county election record for the beginning number on the protective counter for one machine used in the Christ Church No. 6 Precinct is 2973 and the ending number now on the machine is 3950.

4. This is a difference on that machine of 977; however, the public counter reads 122, and there are 122 voters on the poll list.

5. The Board finds that the initial handwritten entry of 2973 for the beginning number on the protective counter on that

machine was transcribed in error, and that 122 persons were permitted to vote on that machine at Christ Church No. 6.

6. After our own thorough examination of the data from the poll lists, voting machine printouts, the protective and public counters on the voting machines and the certified results in this election, this Board is satisfied that there is no discrepancy of 1,453 votes in the certified results of this election as alleged by the Appellant. And this Board so finds.

b. McClellanville 2 Precinct

1. A total of 289 votes were cast at this precinct in the Probate Judge's race in the November 6, 1990, General Election.

2. The polling place for this precinct was Lincoln High School.

3. As voters drove into the parking lot or otherwise arrived at Lincoln High School to vote, many of them were approached by one Gussey Hume, or by persons working under the supervision of Gussey Hume, and were directed to "go over to this classroom and get your instructions." [Hearing II, p. 253-54, Hearing I, p. 25-26][1]

4. Gussey Hume wore a large badge identifying him as "Poll Manager" [Hearing I, p. 26]; he was actually only a poll watcher. [Hearing II, p. 253]. Voters who went to the classroom for "instructions" by Gussey Hume or his workers were given a sample

ballot, [Hearing I, p. 26, 28-30], and then sent to the polling place to vote. [Hearing I, p. 30].

5. After that person voted, a runner was sent to the polling place from the classroom to verify that that person had actually voted, and, if so, the voter was paid $2.50. [Hearing I, p. 30].

6. The procurement of votes in this manner went on all day at this precinct. [Hearing I, p. 33]

7. A free and fair expression of the popular will has not been obtained in McClellanville 2 precinct because the procurement of votes was so general on election day.

8. Enough votes were procured by the payment of money to affect the result at the McClellanville 2 Precinct, or to leave it in doubt.

9. The poll at this precinct cannot be purged of the illegal votes.

10. It was not possible for a poll watcher to challenge the ballots of these voters because they were not paid until after they voted.

11. A poll watcher, Charles Sweatt, attempted to call the County Election Commission to report what he was observing, but the people working for Gussey Hume in the classroom prevented him from using the phone. [Hearing I, pp. 47, 49]

12. Neither of the candidates had any involvement whatsoever in the procurement of votes by the payment of money at McClellanville 2 Precinct.

c. Wadmalaw Island Precinct

1. A total of 697 votes were cast at this precinct in the Probate Judge's race in the November 6, 1990, General Election.

2. At different times during the day, six people were in the polling place to give assistance to voters as they came in. [Hearing I, p. 53]

3. Two of those people were poll watchers [Hearing I, p. 53]. The rest had no official capacity and some were not even voters in that precinct. [Hearing II, p. 188] The assisters were joined at times by two poll managers. [Hearing I, p. 51]

4. As voters entered the polling place, one of these "assisters" would approach them with an unsolicited offer of "help." [Hearing II, 193]

5. Sometimes an "assister" would enter the voting booth along with the voter. Other times the "assister" would go in after the voter entered the booth. [Hearing I, p. 72-73; Hearing II, p. 193-194, 221-224]

6. The "assisters" did not give instructions in how to use the voting machines [Hearing 1, p. 56] but instead told voters who to vote for or otherwise guided them to vote for a specific

candidate or party. [Hearing I, pp. 58-59, 62-63, 69-70; Hearing II, pp. 194-195]

7. Sometimes the instructions were given directly by handing the voter a marked ballot which was taken into the voting booth. [Hearing I, p. 92-93; Hearing II, p. 197]

8. Other times the instructions were given more subtly, such as by suggesting to the voter that she reconsider her choice once she told the "assister" in the booth which candidate or party she wanted to vote for. [Hearing II, 194-195]

9. Poll managers were unable to challenge the ballots that were affected by this improper "assistance" because it was done after the voter had entered the voting booth. [Hearing II, p. 225] §7-13-810, S.C. Code, 1176 (as amended) This practice was pervasive during the day of the election at this precinct.

10. Poll managers called the County Election Commission six times during the day for help in removing "assisters." [Hearing I, p. 53]. Each time they succeeded in removing an "assister" by reporting him to the Election Commission, within a few minutes another one would appear to replace the one that had been removed. [Hearing I, p. 5-6]

11. It is incumbent on the Board to determine the number of votes affected by improper assistance. Unfortunately, no one maintained a continuous tally to keep a precise count of the number of times an "assister" exerted improper influence over a voter. As

a practical matter it would have been extremely difficult to do so. Poll managers were short-handed running the machines [Hearing I, p. 61] and were "swamped with things going on all day;" they did not even take time to stop for lunch. [Hearing II, p. 206]. One poll manager characterized the precinct that day as "a war down there." [Hearing I, p. 65] The Board finds no fault with any poll official for their not having a precise count of the number of votes affected by this improper assistance, or for their not challenging voters because they were so overwhelmed by the conditions that prevailed there. [Hearing I, pp 65-66].

12. Having observed the demeanor and judged the credibility of the witnesses, Berry v. Spigner, 226 S.C. 183, 84 S.E. 2d 381, 385 (1954), and after giving careful consideration to all the evidence presented, the Board finds, based on the percentages testified to, that some 520 voters were given "assistance" during the day at Wadmalaw Island Precinct. [Hearing I, pp. 86, 90, 91; Hearing II, p. 202, 220-221]. Of that number at least 400 voters did not require assistance. [Hearing II, p. 202, 220-221]. That is to say unsolicited assistance was given to more than 400 voters at Wadmalaw Island Precinct who could read and write and who were not physically handicapped. (We acknowledge that the testimony of percentages was not intended to be a precise count. We treated it as a fair approximation. Even treating it this way the resulting number of votes affected by the "assisters," when added to the

affected votes at McClellanville 2 precinct, greatly exceeds the number of votes necessary to change the outcome of the election.)

13. The assistance givers were trying to influence the votes of the persons being "assisted." [Hearing I, p.62; Hearing II, pp. 194, 196]

14. The presence of the unsolicited assistance givers in the voting booth violated the secrecy of the ballots cast by those voters.

15. Because of the pervasiveness of the "assistance" given throughout the day and based on the direct evidence that "assisters" were seeking to persuade or induce voters to vote a certain way, this Board finds that the irregularities and unlawful acts complained of affected, or at least cast doubt upon, the result of the election in the Wadmalaw Island Precinct.

16. Most if not all the witnesses testified that they were unable to identify a specific number of voters affected by the "assistance" such as would have changed the outcome of the Probate Judge race. It is not essential that a witness know whether a particular vote was compromised. The impact of our findings here is that the irregularities and unlawful acts at this precinct cast doubt on the result. It is worth noting that because the election was by secret ballot, these witnesses had no way of knowing how any particular person voted, or for that matter, how anyone intended to

vote before receiving "assistance." [Hearing II, p. 327] This testimony is not inconsistent with our findings.

17. Neither of the candidates had any involvement whatsoever in the irregularities, or unlawful acts found here.

II. CONCLUSIONS OF LAW

a. *Vote Count Discrepancy*

1. There was no actual discrepancy in the vote counts of the 29 machines at issue here.

b. *McClellanville 2 Precinct*

1. The ballots cast as a result of the promise or payment of money were illegal votes. §7-25-50, *South Carolina Code*, 1976 (as amended).

2. The illegality in the election at McClellanville 2 Precinct was so general that it appears that a free and fair expression of the popular will has not been obtained in that precinct. *State ex rel. Davis v. State Board of Canvassers*, 86 S.C. 451, 68 S.E. 676, 678 (1910).

3. The illegal votes cannot now be identified because they did not become illegal until the payment of money was given to the voters *after* their vote was cast.

4. For this reason the poll at the McClellanville 2 precinct cannot be purged of the illegal votes. *See* *State ex rel. Davis v. State Board of Canvassers*, *supra*.

5. Since the poll can not be purged of the illegal vote and since it appears that enough illegal votes were cast to affect the result of that poll or to leave it in doubt, the entire vote for the winning candidate at McClellanville 2, consisting of 285 votes, must be thrown out and the entire vote for the protestant, 4 votes, must likewise be subtracted from his vote total. *State ex rel Davis v. State Board of Canvassers*, 86 S.C. 451, 68 S.E. 676, 678 (1910). *Gunter v. Gayden*, 84 S.C. 48, 65 S.E. 948, 949 (1909).

6. Even though the candidates are completely without blame or even suspicion in this matter, nevertheless for purposes of review by this Board the vote total of the Respondent Fielding, the candidate with the highest vote total, must as a matter of law be reduced by that amount to 29,207 and the total vote of the Appellant Merrill must be reduced to 29,034 *Creamer v. City of Anderson*, ____S.C. 110, 124 S.E.2d 788, 790 (1962); *Finklea v. Daniel*, 192 S.C. _295, 6 S.E.2d 472, 473 (1939).

c. *Wadmalaw Island Precinct*

1. It is illegal to give assistance to a voter unless that voter requires assistance by reason of blindness, disability, or inability to read or write. §7-13-770, S.C. Code 1976 (as amended); 42 USC §1973aa-6. (Voting Rights Act of 1965, Section 208)

2. It is illegal to give a voter unsolicited assistance in voting. *Id*.

3. It is illegal for a person, under the pretense of giving assistance or instructions to a voter, to request or seek to persuade or induce any voter to vote any particular ticket or for or against any particular candidate. §§7-13-100, 7-13-760, 7-13-860, 7-13-1830, 7-25-100, *supra*.

4. Any ballot cast by a voter after receiving assistance from a person who requested or sought to persuade or induce that voter to vote any particular ticket, or for or against any particular candidate, is an illegal or tainted vote which should be invalidated.

5. Since the "assisters" were trying to influence the votes of the people being assisted, this illegal assistance could have affected the outcome of the election. *Sims v. Ham*, 275 S.C. 369, 271 S.E.2d 316, 319 (1980).

6. This Board concluded that more than 400 ballots were cast subject to illegal inducement or influence and should be invalidated.

7. The secrecy of the ballot is essential to the conduct of a fair election. *State ex rel Edwards v. Abrams*, 270 S.C. 87, 240 S.E.2d 663 (1978); *Corn v. Blackwell*, 191 S.C. 183, 4 S.E. 2d 656 (1939).

8. A violation of the secrecy of a ballot destroys the validity of that ballot. *Corn v. Blackwell*, *supra*.

9. The validity of as many as 400 ballots was destroyed by the activity of the unsolicited "assisters." This number, when added to the votes affected at McClellanville 2, is far in excess of the number of votes necessary to change the result of the election.

10. These ballots cannot now be identified.

11. Since the poll cannot be purged of the illegal, tainted, or invalid votes, the vote total of the winning candidate must be reduced by 400, the minimum number of illegal, tainted, or invalid votes cast.

12. Again, even though the candidates are completely without blame or suspicion in this matter, the vote total of the Respondent Fielding must, as a matter of law, be reduced by that amount to 28,832. Creamer v. City of Anderson, 240 S.C. 118, 124 S.E. 788, 790 (1962); Easler v. Blackwell, 195 S.C. 15, 10 S.E.2d 160 (1940) Finklea v. Daniel, 192 S.C. 295, 6 S.E.2d 472, 473 (1939). This would change the outcome of the election.

CONCLUSION

This Board has indulged every reasonable presumption to sustain the election at issue here. Hyde v. Logan, 113 S.C. 64, 101 S.E. 2d 41 (1919); Trapp v. S.C. Board of Canvassers, 273 S.C. 163, 255 S.E. 2d 670 (1979). This Board is acutely aware of the decisions of our State Supreme Court which hold that errors which do not appear to have affected the results of an election will not be allowed to overturn the election. Berry v. Spigner, 226 S.C. 183, 84 S.E. 2nd. 381 (1954); Trapp v. S.C. Board of Canvassers, supra. After hearing and reviewing the evidence in this matter, however, we find that the irregularities at McClellanville 2 and Wadmalaw Island Precincts could have affected the outcome of the election because of the flagrant and illegal attempts to influence that outcome. Sims v. Ham, 275 S.C. 369, 271 S.E.2d 316, 319 (1980) No one would have engaged in these practices unless they were trying to affect the outcome. These practices were so pervasive and widespread at these two precincts throughout the day that, if they did not affect the result of the election (which conclusion we do not accept) at a minimum substantial doubt is cast upon that result. Berry v. Spigner, 226 S.C. 183, 86 S.E. at 381, 384 (1954).

The Board is mindful of the fact that, in so ruling, it is overturning the results of the County Board. However, this Board had before it additional evidence not before the County Board.

Our electoral system should be a model to the world. The electoral practices that pervaded McClellanville 2 and Wadmalaw Island Precincts in the 1990 General Election would embarrass most civic minded persons. It is our responsibility under State law to follow both the law as well as sound public policy in determining what persons have been duly elected. §7-17-250, S.C. Code, 1976.

This Board is not unmindful of the hardship, inconvenience and expense that this protest and appeal has caused Judge Fielding, Mr. Merrill, and the public. The Board greatly regrets this situation. It is most unfortunate that either candidate should suffer the burden of another election on account of a situation for which neither had any responsibility or even knowledge. However, on this record, we cannot say that the will of the voters has been obtained in this election as it was actually conducted.

WHEREFORE, for these reasons, it is ordered that the decision of the County Board be reversed and a new election be had for the Office of Charleston County Probate Judge.

AND IT IS SO ORDERED.

CHANDLER, A.J.: From an order of the South Carolina Board of State Canvassers (State Board) overturning a probate judge election in Charleston County, we granted certiorari. We reverse.

FACTS

In the election for the office of Charleston County probate judge Petitioner Bernard Fielding (Fielding), the Democratic party candidate, received 29,492 votes; his opponent, Respondent Chris Merrill (Merrill), the Republican party candidate, received 29,038 votes. From a protest by Merrill, the Charleston County Board of Canvassers (County Board) conducted a full evidentiary hearing, after which it upheld the election.

Thereupon, Merrill filed a protest with the State Board, alleging voting irregularities in the McClellanville 2 and Wadmalaw Island precincts. After a hearing, the Board ordered a new election.

The essential evidence of irregularity and impropriety relied upon by the State Board is summarized as follows:

(a) McClellanville 2

> The testimony of a poll watcher that he witnessed people selling their votes for $2.50 and exchanging this money for brown bags containing "Wild Irish Rose Wine" dispensed by members of the Democratic party.
>
> However, when asked how many people he saw selling their votes, the witness merely responded, "as long as you wanted to stand there and watch." He further stated that this practice contined "all day", although he later admitted that he was at the precinct for only twenty to twenty-five minutes. Despite his accusations of such egregious conduct, he did nothing to curb it; finally, he made no challenges to the allegedly tainted votes, although he acknowledged he had the authority and ability to do so.
>
> It is noted, and significant, that there were no corroborating witnesses to these alleged violations. Indeed, another poll watcher at McClellanville 2 adamantly disputed these charges, testifying that he did not know or see anything relating to vote-buying.

(b) Wadmalaw Island

(i) The testimony of a poll watcher that "probably ninety percent of all the black people received assistance," whereas "maybe twenty to twenty-five percent" really required assistance.[1] When this witness was queried as to how she knew a voter did not need assistance, she replied, "[w]ell, when you have a big strapping 20-year-old boy in a sweatsuit who says he needs help ... I question that."

This witness conceded she should have challenged the votes she believed to be illegal, but failed to do so, and when asked for a specific number of votes affected, she replied, "I can only guess," and "I'm not clairvoyant." (Emphasis supplied).

(ii) The testimony of a poll manager estimating that approximately seventy-five percent of the voters received assistance, although only twenty percent actually needed it. However, this witness could not explain how she determined a voter's need for assistance or the actual number of votes so affected, stating, "I can't tell you they were all irregular, I can't, because I don't know that."

(iii) The testimony of another poll manager that "a very large percentage" of voters received illegal assistance. The rationale for her conclusion was "a great many of them were young people that I can't see any reason why they needed assistance." Notwitstanding her belief the assistance was illegal, the poll manager failed to challenge a single vote and signed the "Poll Manager's Oath" at the end of the election, certifying that she conducted the election in a lawful manner.

Throughout the entire election no documentation of the above allegations was obtained or preserved for appellate review and, likewise, no challenges were made to any votes at either the McClellanville 2 or Wadmalaw Island precincts.

ISSUES

1. Was the evidence relied upon by the State Board sufficient to overturn the election?

2. When must challenges to voting irregularities be made?

DISCUSSION

I. Sufficiency of Evidence

The scope of appellate review of the State Board's order "is limited to corrections of errors of law; findings of fact will not be overturned unless wholly unsupported by the evidence." Knight v. State Board of Canvassers, 297 S.C. 55, 57, 374 S.E.2d 685 (1988); Simms v. Hamm, 275 S.C. 369, 271 S.E.2d 316 (1980); Berry v. Spigner, 226 S.C. 183, 84 S.E.2d 381 (1954). Every reasonable presumption in favor of sustaining a contested election will be employed and irregularities or illegalities which do not appear to have affected the result of the election will not be allowed to overturn it. Id. In Berry, supra, this Court found that general allegations of illegal activity will not support the burden of establishing that the irregularity flawed the election.

Adverting to the record here, it is patently clear that the evidence relied upon by the State Board falls far short of that required for the invalidation of an election. Viewing it in the light most favorable to candidate Merrill, the evidence rises, at best, to the level of conjecture, speculation, and surmise: no poll manager or poll watcher who testified could identify a definitive number of alleged illegal votes cast; the testimony concerning vote-buying was totally without substantiation as to either the giver or receiver of the monies; the testimony concerning illegal assistance was based upon the subjective opinion of the poll watcher; and, finally, no documentation whatsoever of any of the alleged irregularities was presented, only the uncorroborated opinions of individuals.

II. Challenges

S. C. Code Ann. §7-13-810 (Supp. 1990) which establishes the procedure for challenging votes, provides that any elector, watcher, or manager may challenge the vote of any person suspected of not being a qualified voter. Although this must be done before the person is handed the ballot or enters the voting machine, the statute further provides that votes may be challenged based on evidence discovered after the vote is cast. See Hill v. South Carolina Election Comm'n, ___S.C.___, 403 S.E.2d 309 (1991).

Moreover, the Poll Manager's Handbook for Conduct of General Elections[2] sets out the procedure by which poll managers lodge a vote challenge based upon illegal assistance.

Merrill complains that egregious vote-buying occurred at McClellanville 2 precinct; however, not a single challenge was made to any vote allegedly bought or sold. When asked why challenge was not made, the poll watcher testified "if you challenged every ballot, every questionable ballot in McClellanville 2, the election would last a week."

As to the charges of illegal voter assistance at Wadmalaw Island precinct, again no challenges were made. The poll manager testified she failed to follow the procedure for challenge because "[w]e would have never voted everyone that day."

It is noted that those responsible for making appropriate challenges at both precincts assign excessive time consumption as the reason for failing to do so.

Nothing in the case law of this Court, in statutory law, or in the Poll Managers Handbook holds that a slowdown in the electoral process brings about a waiver of the requirement to challenge. To the contrary, the making of a challenge is essential to the preservation of an adequate record upon which appellate review can be had.

CONCLUSION

While corruption-free elections are imperative to the very survival of the republic, it is equally essential that, where corruption is charged, a documented record be established upon which alleged wrongdoing may receive appellate review. As indicated earlier, the record before us is comprised only of conjecture, speculation, and surmise; it clearly does not sustain the burden enunciated in Berry that "every reasonable presumption will be indulged to sustain [the election]." See Berry, supra, 226 S.C. at 189, 84 S.E.2d at 384. Indeed, the evidence here is strikingly similar to that rejected by the Court in Berry, as "laid in most general terms." Berry, 226 S.C. at 192, 84 S.E.2d at 385.

Accordingly, the order of the State Board is reversed, and the decision of the County Board, upholding the election, is reinstated.

REVERSED.

GREGORY, C.J., HARWELL, FINNEY and TOAL, JJ., concur.

On April 25, 1990, Herb Silverman filed to run for Governor of South Carolina in the November 6, 1990 general election. Silverman, an atheist, then sued the State contending Article IV, Section 2 of the SC Constitution saying that "No person shall be eligible to the office of Governor who denies the existence of the Supreme Being..." was unconstitutional.

The Circuit Court dismissed the suit saying the question was moot because Silverman was not being denied by the State Election Commission the right to run as a candidate. Below is the appealed decision.

OPINION

MURRAY, Senior District Judge:

Herb Silverman, David Cohen and Sharon Fratepietro, individually and on behalf of others similarly situated ("appellants") seek review of an order by the United States District Court of South Carolina, Charleston Division. By that order, the district court granted a motion to dismiss by James B. Ellisor, Neal D. Thigpen, William B. DePass, C. D. Sexton, Roger Leaks, Jr., and Margaret S. Townsend, and their successors in office ("appellees" or "the Commission") and denied a motion for summary judgment by appellants, because "this case [did] not meet the threshold requirement of ripeness." Joint appendix at 52 n.8.

A district court's legal conclusion regarding ripeness is to be reviewed *de novo*. *Executive 100, Inc. v. Martin County*, 922 F.2d 1536, 1549 (11th Cir. 1991); *Herrington v. County of Sonoma*, 857 F.2d 567, 568 (9th Cir. 1988). The findings of fact that underlie a district court's ripeness determination, on the other hand, are not to be disturbed unless they are clearly erroneous. *Winter v. California Medical Review, Inc.*, 1990 W.L. 266354, * 1 (9th Cir. 1990); *Rocky*

Mountain Oil and Gas Association v. Watt, 696 F.2d 734, 742 (10th Cir. 1982). Because we find, after a *de novo* review, that the district court's legal conclusion regarding ripeness was correct, and because its findings of fact underlying the ripeness determination were not clearly erroneous, we affirm.

I.

Appellant Silverman, a would-be candidate for governor of South Carolina, and his supporters, appellants Cohen and Fratepietro, brought this suit against appellees, individual members of the South Carolina Election Commission, in their official capacities, on May 29, 1990. Silverman sued on his own behalf and on behalf of a class of present and future South Carolinians who wish to run for governor or any other state office and who deny the existence of "a" or "the" supreme being. Cohen and Fratepietro sued on their own behalf and on behalf of a class of all South Carolinians who may wish to vote for a candidate for governor or any other state office who denies the existence of "a" or "the" supreme being.

Appellants filed an amended complaint on July 19, 1990, and a second amended complaint on August 1, 1990. In their second amended complaint, appellants brought an action under 42 U.S.C. § 1983 et seq., seeking declaratory and injunctive relief. They asked that the district court declare that "sections of the South Carolina Constitution which disqualify from public office persons who deny the existence of 'the Supreme Being' are unconstitutional and should not be enforced." Joint appendix at 22. On July 17, 1990, appellees filed a motion to dismiss the amended complaint, and on August 8, 1990, they filed a second motion to dismiss, asserting that no case or controversy was presented. Appellants then filed a motion for summary judgment on August 19, 1990. On September 21, 1990, the district court held a hearing on the three motions, and, on October 31, 1990, issued an order denying appellants' motion for summary judgment and granting appellees' second motion to dismiss. It is from this order that appellants now seek relief.

II.

The district court, in its October 31, 1990, order, found the following facts:

> On April 25, 1990, Silverman, an atheist, filed a statement of intention to run for Governor of South Carolina in the November 6, 1990, election. A few weeks prior to this announcement, it was reported in the news that Silverman was an atheist and that, according to Commissioner James B. Ellisor, the Commission might challenge Silverman's qualifications. However, Ellisor later stated that despite his religious beliefs, Silverman would be eligible to run for Governor and his name would appear on the November ballot if he otherwise qualified as a candidate. At a May 15, 1990, meeting, the Commission confirmed that Silverman's denial of belief in the Supreme Being did not disqualify him as a candidate.

Joint appendix at 45. Our review of the record presented on appeal convinces us that these factual findings were not clearly erroneous, and therefore we shall not disturb them. *Id.*

After discussing the grounds for relief set forth by the parties in their respective motions, the district court in its order raised the issue of ripeness as a possible bar to the district court's jurisdiction. The court concluded that, indeed, the issues presented in the case were not ripe, stating that

> [b]ecause it is far from certain that Silverman will be elected Governor in November, or, that if he is elected, the Commission will invoke the Supreme Being provision, resolution of the sensitive question of whether the Supreme Being provision violates the United States Constitution must be held in abeyance until a more concrete challenge to the provision is presented.

Joint appendix at 51-52.

Appellants urge that this conclusion was erroneous. They argue, first, that it was improper for the district court to introduce the question of Mr. Silverman's chances of winning the election into the court's justiciability analysis. In support of their position, appellants cite *Zielasko v. State of Ohio*, 873 F.2d 957 (6th Cir. 1989), and aver that under the Sixth Circuit's holding in that case

> [i]t is clearly not the law that a candidate must win, or demonstrate a significant chance of winning, in order to challenge a qualification for holding office .... Plaintiffs [in *Zielasko*] were a would-be candidate for judicial office [who was over the age of 70] and a would-be voter for that candidate. The Ohio constitution prohibited any judge from assuming office after his or her 70th birthday. Despite the fact that he had not filed for the office and the voter had not circulated petitions, the case was held ripe.

Appellants' brief at 10.

What appellants fail to note about *Zielasko*, however, is that the Sixth Circuit held that the controversy was ripe because the would-be candidate, Zielasko, was required to sign a declaration of candidacy stating he was qualified for the office he was seeking in order to make his candidacy official. That declaration was made under threat of criminal penalty for "election falsification". Because Zielasko was over seventy years old, he did not meet the statutory election qualification requirements, and, consequently, had he filed a declaration of candidacy stating that he was a qualified candidate he would have subjected himself to possible criminal penalty. The Sixth Circuit thus held that "[b]ecause Zielasko would have filed a declaration of candidacy *but for* the fear of criminal penalty for election falsification, a justiciable controversy exists in this case." 873 F.2d at 959 (emphasis in original).

In the instant case, no such fear or threat of criminal penalty was present. So long as Silverman was otherwise qualified as a candidate, either by being nominated by a recognized party or by submitting a petition with 10,000 signatures, he was in no way precluded from running for governor of South Carolina, in spite of his lack of belief in "'a' or 'the' Supreme Being." The holding in *Zielasko*, therefore, is inapposite to the situation presented here, and the district court's consideration of the future uncertainty of the harm complained of was properly included in its ripeness analysis. We concur with the district court's conclusion that appellants' case was not ripe in this regard, as the harm of which they complained was contingent on an eventuality which may never come to pass, namely Silverman's election to the office of governor.

Appellants also argue that it was improper for the district court, in determining whether or not the controversy was ripe, to consider the likelihood of enforcement of the pertinent constitutional provisions by the Commission. Appellants cite *Turner v. Fouche*, 396 U.S. 346, 362 n.23 (1970), as standing for the proposition that "[a state] can hardly urge that her . . . officials may be depended on to ignore a provision of state law." In the instant case, however, there was ample reason for the district court to conclude that South Carolina would not enforce the constitutional provisions here in issue to preclude Silverman from running for governor. As the district court properly noted, "the Commission . . . stated that it would have permitted Silverman to be on the ballot if he had otherwise qualified as a candidate." Joint appendix at 51. The court went on to state that "[i]n the absence of any evidence that the Commission intends to enforce the Supreme Being provision, this Court must refrain from deciding the delicate constitutional issue before it. *See Smith v. Nat'l Conference of Catholic Bishops*, 653 F.2d 535 (D.C. Cir. 1981) (where the Court held that an action to challenge a statute that had not been enforced against the plaintiff was not ripe.)" *Id.*

A copy of the minutes from the May 15, 1990, Commission meeting at which Mr. Silverman's candidacy was discussed is included in the record. Our review of these minutes reveals that the Commission did not intend to enforce the pertinent constitutional provisions against Mr. Silverman and thereby prevent him from running for governor. The pertinent portion of the minutes reads as follows:

> Dr. Thigpen asked for a motion for the Commission to agree that Mr. Silverman is eligible at this time if he has been properly nominated. Mr. DePass asked if this would mean that the Commission was in agreement that Mr. Silverman's denial of belief in a Supreme Being did not disqualify him as a candidate if he was otherwise qualified. Mr. Ellisor said yes. Mr. DePass made the motion. Mr. Leaks seconded. The Commission was in agreement.

Joint appendix at 9. We conclude, therefore, that it was proper for the district court to consider the likelihood of the Commission's enforcement of the constitutional provisions at issue in its ripeness analysis. And, because the record reveals no indication by the Commission that it would enforce the provisions against Mr. Silverman — indeed, the only indication is that the Commission would not enforce them — we agree with the district court that the controversy before it was not ripe in this regard, either.

III.

Accordingly, because we agree with the district court's conclusion that no ripe controversy was presented by this case, we affirm the district court's order denying appellants' motion for summary judgment and granting appellees' second motion to dismiss.

Every two years (odd-numbered years), the Executive Director of the State Election Commission deletes, from the roster of active registered voters, the name of any elector who has failed to vote in each of two consecutive State-wide General Elections and also failed to vote in any other election which might have been held in the precinct in which the voter is registered within the time period between the two General Elections. SC Code 7-3-20

Although voters' names are taken off the active lists for failure to vote, their names are not removed from the Central Voter Registration System. These persons are still eligible voters if they have not moved outside their precinct. They may become active voters again by voting.

The reason for the fluctuation of number of registered voters each year is due to these deletions. Voter numbers also decrease due to death, moving out of the precinct, conviction of a felony or crime against the election laws.The number of registered voters listed is always the **active** number.

REGISTRATION BY MAIL

In addition to voter registration at the board office and at organized and advertised voter registration drives, South Carolina permits persons to register to vote by mail. Any qualified citizen may register to vote by mailing, or having delivered, a completed registration by mail application to the registration board in his county of residence, 7-5-155, 1976 SC Code of Laws, as amended.

Registration by mail was first implemented in our state in 1986. Since that time, over 30% of all new registered voters have taken advantage of this method of voter registration.
